Death of Old Resident.

Mr. James Owens, an old and well known resident, died last night at the almshouse after a short illness. The deceased was 64 years old. He became ill while on a fishing shore a few days ago and was brought to this city. His condition grew gradually worse until his death followed. Mr. Owens many years ago was associated with the late Captain Kent, who conducted a public house on the east side of Union street, between Duke and Wolfe, who in conjunction with that business had a junk shop on the southwest corner of Duke and Union streets. Subsequently Mr. Owens became engaged in the oyster packing business in Alexandria, his establishment being among the most prominent in this vicinity.

Fell from a Train.

Howard J. Putnam, aged 27 years, a brakeman on a south bound freight train on the Southern Railway, slipped and fell from the roof of a car near Brewster last night. The train was stopped, Putnam placed aboard, brought to this city and taken to the Alexandria Hospital where he was attended by the company's surgeon. It was found that Putnam had received serious injuries, one of his legs having been terribly crushed as was also one of his arms. His condition was too grave to allow amputation, and his death followed this afternoon. The unfortunate young man is from Winston, Va. Sleet that had formed on the roof of the car caused him to slip while passing from one to the other.

The Elks.

As heretofore stated Alexandria Lodge of Elks will hold its third annual memorial service in the Opera House tomorrow night at 8 o'clock. The programme will include an oration to be delivered by Senator John W. Daniel, Lieut. Gov. Willard will also deliver an address. The exercises will be in charge of Exalted Ruler C. C. Carlin. Pistorio's Band of Washington will furnish the instrumental music. A quartet will render several vocal selections. Another feature of the programme will be a recitation by Capt. J. V. Davis, superintendent of the Alexandria National Cemetery.

Rain, Hail and Sleet.

While the morning and early afternoon of yesterday were fair and the sun shone brightly, the sky became overcast and the wind shifted, followed by rain. The atmosphere was cold this morning, the trees bore a glassy appearance, while sleet formed on roofs of houses and on other places. Conditions today have been cold and threatening. An old resident, a life-long observer of the weather, says that the first three days of December are generally indicative of the nature of the winter that is to follow.

Death of a Mariner.

Capt. Steward K. Geoghegan, a well known mariner of Baltimore, died yesterday of old age at the home of his son, Capt. W. C. Geoghegan, in that city. Captain Geoghegan was in the ninety-second year of his age. He was a native of Dorchester county, Md., but had lived in Baltimore for the past 55 years. During the civil war he commanded a United States transport. He leaves four sons among them Capt. William C. Geoghegan, of the steamer Anne Arundel, of the Weems' line.

A Pleasant Entertainment.

Alderman J. M. Hill handsomely entertained a number of his friends from Washington, Baltimore, Philadelphia, New York and other places at the Opera House Restaurant last night. Mr. Louis Brill's culinary skill was brought into requisition and orders in all styles and other reasonable edibles were greatly enjoyed. A fine orchestra added a pleasant feature to the evening's enjoyment. The guests arrived here on a special electric train and left on the same.

Personal.

Mr. Taylor, who has for some time been in the laboratory of S. Leadbeater & Sons, succeeded Mr. C. G. Lendecary business in this city.

Howard left Friday for Fredericksburg Star.

A car of the electric train here for Washington at 6:15 a. m. was damaged on the Long colliding with a portion of the

Woman's Auxiliary.

On Monday next, the 5th inst., a meeting will be held in Christ Church in the interest of the Woman's Auxiliary to the Board of Missions of the Protestant Episcopal Church. The parish branches of the churches in Alexandria, the Theological Seminary and some of the neighboring counties will be represented. At the opening services at 11 a. m., there will be a celebration of the holy communion with a short address by Bishop Rowe. During a recess lunch will be served in the Parish Hall to the members of these auxiliaries. From 2 to 4 p. m. there will be addresses from Bishop Rowe, of Alaska, Mrs. Sioussat, president of the Maryland Branch of the Auxiliary, and Rev. Dr. Morris, formerly of the Brazil Mission. Bishop Rowe, who is a most eloquent and interesting speaker, will tell of the work in his missionary district of Alaska and its needs. Mrs. Sioussat will give a resume of the proceedings of the triennial conference of the Woman's Auxiliary held in Boston during the recent general convention of the church and of the work accomplished by it in the past three years. Dr. Morris's subject will be that of the mission of the Protestant Episcopal Church in Brazil. Members of the other churches in Alexandria and those interested in missions are cordially invited to be present.

Justice W. H. May presided in the Police Court this morning.

Property Sales.

Mrs. Mary Eliza Howard has sold to Mrs. Kemp L. Lambeth a house and lot on the east side of Columbus street, between King and Cameron.

Pursuant to a decree of the Corporation Court, Capt. R. F. Knox sold at auction today a lot of ground on the east side of Peyton street, between King and Prince, to M. B. Harlow for \$240; lots Nos. 20 to 27, inclusive, bounded by Patrick, Montgomery and Alfred streets, to Ross T. Elliott for \$300; also lots of ground 32 to 35, inclusive, on Patrick street, south of Montgomery, to Ross T. Elliott for \$150.

The Market.

There was a diminution in the supply of country produce in market this morning, the result of the cold and disagreeable weather. The display, however, apparently met the demand. Eggs had advanced, and some countrymen were holding them at 85 cents a dozen. Quotations for butter, poultry, vegetables, meats and fish were unchanged, but there was a hardening tendency in the first three articles named.

Corporation Court.

[Judge L. C. Barley presiding.] Mary Frances Danenhower vs. Washington Danenhower; decree for divorce and awarding to Mrs. Danenhower the custody of her children.

In the Home.

An English merchant who has adopted American methods of advertising says: "Sixty per cent. of the wants arise or are discussed in the home, and lucky is the merchant whose messenger, in the shape of a smart newspaper advertisement, is there to welcome the arrival of the wants."

ARTLOOM TAPESTRIES.

THE October and November Ladies' Home Journal and other leading Magazines, in their articles on the Home Beautiful, in their hints on modern furnishings, in their suggestions for the Dr., the Corner, the Boudoir, the correct treatment of window hangings, rich Oriental designs and beautiful colors are now within the reach of all. This is but an aggravation to the average woman, who has tried in vain to find such things at her dealer's, and who has come to believe they are the mere creation of the magazine writer's fancy, or else that their sale is restricted to the great city shops.

We are happy to report that we are showing a line of these celebrated Draperies in Table Covers, Couch Covers, Curtains and Portieres. We control the sale of them in Alexandria and the prices are within the reach of all.

ARTLOOM TAPESTRIES are made in the largest factory in the world (which is a guarantee of the work), and remember that they are only to be had of US.

After being out only forty-five minutes, the jury in the Darling murder case brought in a verdict at Versailles, Ind., last night of imprisonment for life. Darling shot and instantly killed his wife at Milan, on Thanksgiving day while she was at the home of her parents. Darling and his wife had been married a little over a year, and separated three weeks ago. Jealousy led to the tragedy.

A sensation has been caused in Constantinople by the arrest of Mahomed Sidik, a Russian doctor, who has had charge of the harem of the late Sultan Murad V. Virginia News.

Murphy's Hotel and the Richmond, in Richmond, are to be enlarged at an expenditure of \$750,000.

Col. William B. Pettit, one of Virginia's most widely known lawyers, is seriously ill at his home near Palmyra, Fluvanna county.

Capt. Frederick Arbart died yesterday at his home in Henrico county. He served in the Prussian army as a captain through the Franco-Prussian and Austro-Prussian wars. He came to America in 1865.

Hugh Gordon Miller of Norfolk, Assistant United States District Attorney, has resigned that position. As he is in high favor with the Administration, the surmise is that he will be given some important office. Mr. Miller is in New York. Robert Nally, of Richmond, is recommended for the place Mr. Miller resigns.

The family of Col. Robert E. Withers has been summoned to his bedside in Wytheville, and the worst is feared. Col. Withers, who was a member of the United States Senate, 1875-1881, and afterward consul at Hongkong, and who fought through the entire civil war in the army of the Confederacy, is eighty-three years of age.

Gen. Fitzhugh Lee, president of the Jamestown Exposition Company, went to Washington yesterday to resume his efforts to secure congressional aid for the celebration of the tercentennial anniversary of the settlement of America. Citizens' Industrial Association.

At the meeting of the Citizens' Industrial Association convention held in New York this week the report of the committee on resolutions, which was adopted, reaffirms the objections as adopted at the Chicago and Indianapolis conventions of the Citizens' Industrial Association, and again declares for the open shop. Demanding only good faith and fair dealing, it discriminates against neither union nor independent labor.

"The freedom of the apprentice and the right of the individual to have a trade and follow it."

"The right of private contract, with equal obligation upon employer and employee."

"The right to work, limiting the hours of labor, whether of brains or of the hand, by matter of mutual agreement, not a subject for arbitrary legislative enactment."

The resolutions oppose the limitation which the trade union sets upon the number of apprentices in any shop and favors the establishment of public artisan schools, giving a diploma which shall be the evidence of the right to begin to practice a trade.

The resolutions finally condemn the policy of trade unions in prohibiting membership in the State militia as illegal and dangerous.

The Birmingham Congressional Club, the largest commercial organization in Alabama, at its meeting, last evening, adopted a resolution expressing gratification that President Roosevelt is to visit the South in the spring, and urge him to come to Birmingham.
